

ODD SPOT

In looking at the IGI (1981 Edition) for possible clues to the fate of Jesse Briginshaw (Newsletter No 2 Page 9) I examined all 49 States of USA without success but I did find these entries, the only ones.

State of Missouri

Marriages in the Parish of St Joseph in the town of Trenton, County Grundy:

1. Joseph Chamberlin/Mary Briganshaw 18.11.1810
2. The same entry but dated 27.11.1810
3. William Briganshaw/Mary Garner 11.10.1796

I wonder who they were?

In the next issue I hope to take a preliminary look at the exciting pedigree produced by Geoffrey.
